OUR USE OF COOKIES

As with most providers of online services, the Fortress websites, online services, interactive applications, email messages, and advertisements may use “cookies” and other technologies such as pixel tags and web beacons. Cookies are small data files that We store on Your computer or Device.

These technologies help us to better understand user behaviour including for security and fraud prevention purposes, tell us which parts of Our websites people have visited, and facilitate and measure the effectiveness of advertisements and web searches.

- **Essential:** These are cookies that enable basic functions and are necessary for the proper function of the Fortress Sites.
- **Statistics:** These are cookies that collect information anonymously. This information helps us to understand how visitors use the Fortress Sites.
- **Marketing:** These are cookies that are used by third-party advertisers or publishers to display personalized ads. They do this by tracking visitors across the Fortress Sites.
- **External Media (Optional):** These cookies are blocked by default. They provide content from video platforms and social media platforms. If External Media cookies are accepted, access to those contents no longer need manual consent.

If You prefer that Fortress, not use cookies, We provide You with the means to disable their use. Certain features of the Fortress Sites may not be available if all cookies are disabled. By not disabling cookies, You consent to Fortress using the information collected through cookies.

OTHER TECHNOLOGIES SIMILAR TO COOKIES

In addition to cookies, Fortress uses other technologies that help us achieve similar objectives. In some email messages Fortress sends to You, We provide a “click-through URL” that links You to content on the Fortress website. When You click one of these URLs, they pass through a separate server before arriving at the

destination page on Our website. We track this click-through to help us determine interest in particular topics and measure whether We are communicating with You effectively. If You prefer not to be tracked in this way, You should not click graphic or text links in email messages. By using the “click-through URL”, You consent to Fortress using the information collected through click-through and other technologies.

Pixel tags enable us to send email messages in a format that You can read, and they tell us whether mail has been opened. We may use this data to reduce or eliminate messages sent to customers.
